Halo 3: Kubrick's limited edition Master Chief figures

Can't wait 'til Wednesday? Take your mind off it by ordering one of these sets...

by Amy-Mae Elliott published on 20 September 2007

For a mere £19.99 you can nab yourself a highly collectable Japanese art toy made by cult brand Kubricks of none other than Master Chief himself.

The 2.5-inch figure comes in traditional green, online red, online blue and active camo version and sports Mjolnir armour and a ickle tiny assault rifle, Aw, sweet.
