Firebox offers Dukes of Hazzard remote control car

Get your own General Lee

by Amy-Mae Elliott published on 20 November 2007

"Yeeee-haaaa!" This is an exact replica of the souped-up 1969 Dodge Charger from the series (and we suppose the film, although we'd rather forget that).

Offering working lights and the same Dixie horn, you can recreate all those fantastic jumping-over-bumps moments in your own backyard. Pardner.
