Retro record iPod Tote has speakers

Bag it

by Amy-Mae Elliott published on 11 December 2007

Not just a funky-looking retro-styled tote bag, this is also a battery-powered iPod/MP3 speaker.

Four of your finest AAs and this \$60, 12- by 14-inch bag will play your tunes as well as hold your stuff.

A veritable two-in-one wonder, in our humble...
