WEBSITE OF THE DAY - santa121.com

Get some face time with Santa this Christmas

by Ian Hughes published on 17 December 2007

Some of our younger readers might be wondering why Santa never replies to their letters.

Well, he's busy, see. Must really take it out of the old fella, galavantin' around the globe rewarding all those good little boys and girls (mind you, there's fewer of those these days if certain alarmist newspapers are to be believed...)

Wouldn't it be great if Santa got back to you? Now he can courtesy of Skype and the people behind this seasonal site.

For a fee, you can book a one to one webchat between Santa and your little darlings. A phone call is cheaper, but I reckon the magic would be for them to see the fat man in the flesh. So to speak.

A perfect blend of the traditional and the high tech.
