## Disgruntled customer software stickers

"Now slower and with more bugs!"

by Amy-Mae Elliott published on 19 December 2007

You can grab a sheet of 10 of these fluorescent stickers for just \$2.50 and then, if you are feeling anarchic, head down to your nearest software (or at a pinch hardware) emporium and plaster all the display boxes in sight.

Disclaimer: Please do not actually do this, or, if you do, please do not mention Pocket-lint.
