ANEO GX-10 webcam comes bundled with games

Three interactive titles included

by Amy-Mae Elliott published on 23 January 2008

The ANEO GX-10 webcam has okay tech spec (1280 x 1024 resolution, 30fps) but its real selling point is interactive gaming.

Buy the gadget, and get three PC interactive games "Kungfu", "Super Knight", and "Funny Stair" bundled with it.

Now that's got to pass the time in the office on a rainy mid-week afternoon...

\$33, for sale on Brando now.
