## HANNSpree launches low cost 42-incher

42 for 649

by Amy-Mae Elliott published on 14 February 2008

HANNSpree has launched the 42-inch AT XV LCD TV that company says couples a comprehensive range of features with a user-friendly interface in a stylish design.

The television boasts a viewing angle of 178 degrees, brightness of 500cd/m<sup>2</sup>, contrast ratio of 1500:1 and an 8ms refresh rate.

The new AT XV features a built-in digital tuner delivering the full Freeview channel line up and two HDMI connections supporting HDCP allowing it to partner with the latest PVRs or HD disc players.

HANNSpree's new 42-inch AT XV TV, part of the XV range, is available to buy now from Misco for £649.
