Sony PSP goes matte bronze in Japan

Slim'n'Lite gets a tan

by Amy-Mae Elliott published on 4 March 2008

A special bronze limited edition value pack PSP has been announced for release in Japan on 24th April for 23,800 yen, which is about £115.

New peripherals also unveiled include a charging cradle and a USB microphone - as Japanese PSPers will get the delayed Skype service from this month.
