## VIDEO: Clash of the Photo Frames

Who will win? Play the video to find out.

by Stuart Miles published on 22 March 2008

This week Megawhat checks out digital photo frames pitting the latest offerings from Toshiba, Kodak and Polaroid against each other.

We look at the Toshiba Tekbright, Kodak's wireless Easyshare EX1011 and Polaroid's XSU-00770B with in-built Wireless Weather Station!

Plus Stuart shows his love for digital camera and his hate for some of the features on last.fm.

Who will win? Play the video to find out.
