WEBSITE OF THE DAY - steenbergs-tea.com

Take some time out for tea today.

by Ian Hughes published on 24 March 2008

It's entirely possible that you might be feeling a bit fragile today.

You might have had a slightly excessive weekend. Rich foods, too much booze and all those lovely, lovely Easter eggs might be taking their toll this morning.

How about a nice cup of tea?

Steenbergs have a fantastic range of organic, Fairtrade teas that they will deliver to your door.

On top of that they can tell you all about the history of tea and the best way to serve each type they sell.

Get some down you and you might start to feel a bit better.

Chin, chin.
