## Limited-edition "Red Tab" Levi phone launches

Meh...

by Amy-Mae Elliott published on 28 March 2008

If you were unimpressed with the original launch of Levi's mobile phone then an "ultra limited edition" Red Tab version is perhaps unlikely to make you reach for your wallet.

If, however you are impressed, then you might like to know that there are only 100 available from posh Parisian retailer Colette, oh, and the price tag is 549 euros, and no, that's not for all one hundred.
