VIDEO: HTC Touch Diamond

We get hands-on at the launch

by Amy-Mae Elliott published on 6 May 2008

HTC has unveiled the much rumoured HTC Touch Diamond smartphone at a global press event in London, and Pocket-lint's Stuart Miles was there for a hands-on.

Hit play on the video above to see the new TouchFlo 3D user interface in action - has this really go what it needs to take on Apple's iPhone?
