## World's ugliest MP3 player launches

It's a real dog

by Amy-Mae Elliott published on 18 June 2008

Dear God, if this 1GB MP3 offering with built-in speakers isn't just the most hideous thing we've seen all week then we don't know what is.

The mini-USB port's positioning is particularly amusing but does not quite justify the \$19 price tag. They'd have to pay us frankly...
