Phones4U launches Samsung Soul in pink

Flagship handset gets coloured in

by Amy-Mae Elliott published on 20 June 2008

Phones 4u has announced it is exclusively stocking the new Samsung Soul Pink.

"Strutting a striking sugary pink shell", the rose-hued Soul offers the same features as the original with "Magic Touch" navigation system and 5-megapixel camera with autofocus.

Also of note is the MP3 player with a Bang & Olufsen ICEpower digital amplifier and up to 7.2Mbps HSDPA speeds.

Phones 4u are currently offering up to £150 instant cashback when you purchase the Samsung Soul Pink on Orange.
