VIDEO: Nikon D700 DSLR - first glimpse

Hands on at the worldwide launch

by Katie Scott published on 1 July 2008

Just minutes after it was unveiled to the world, we pounced in, fought off hoards of other journos and got our mitts on the latest DSLR from Nikon, the D700.

Here's our quick review of the new £2000 model from Nikon.

Watch this space for a full review some time very soon...
