Blaze launches 16-bit Mega Drive handheld console

The more you play with it, the harder it gets

by Amy-Mae Elliott published on 17 July 2008

Blaze has announced the launch of their 16-bit Mega Drive handheld console.

The Blaze portable game player offers such classics such as Sonic and Knuckles, Golden Axe, Shinobi and Ecco the Dolphin that can all be re-lived in true Nineties style.

Other games include Alex Kidd - Enchanted Castle, Alien Storm Altered Beast, Arrow Flash, Crackdown, Decap Attack, Dr Robotnik's Mean Bean Machine, Ecco Junior, Flicky, Gain Ground, Jewel Master, Kid Chameleon, Sonic Spinball and Shadow Dancer.

The unit offers built-in speakers, a colour LCD screen, TV out, runs on three AA batteries, and is available now from games stores and online at www.segaretro.net for £29.99 plus P&P.
