WEBSITE OF THE DAY - says-it.com

Random comic sign generator -
genius!

by Ian Hughes published on 24 July 2008

Why say it with flowers when you can say it with your very own personalised signpost or graphic.

We've all seen the amusing and downright ridiculous church signs, menus and road-side billboards in countless emails over the years.

Says-It lets you create and send your own.

Tremendous fun.
