The Carphone Warehouse has issued us with a press statement informing us that iPhone 3Gs are firmly back in stock - for now.

The announcement reads: "The Carphone Warehouse has today confirmed delivery of a large quantity of the Apple iPhone 3G".

The handset will be available in more than 800 stores across the UK, with stock expected to arrive by 14:00hrs on Thursday 24 July.

This will be the largest delivery of the iPhone 3G since stores sold out on the 11 July launch, following unprecedented demand.

Orders can also now be placed online at [www.carphonewarehouse.com/iphone](http://www.carphonewarehouse.com/iphone).
