Journey-themed MP3 player launches

Any way you want it...

by Amy-Mae Elliott published on 25 July 2008

Power ballad-crooning rock band Journey has been graced with its own themed MP3 player in the States.

Currently on offer at Wal-Mart, the 1GB ZVUE-made device comes pre-loaded 22 Journey songs - 11 new tunes and 11 "classic" hits.

Fans will no doubt welcome the \$40 player with "Open Arms".
