Samsung launches U800 Pink

Special edition for Breakthrough Breast Cancer charity

by Amy-Mae Elliott published on 28 July 2008

Samsung has announced the launch of the exclusive Samsung U800 Pink to support and drive awareness of breast cancer in the UK.

With each Samsung U800 Pink sold, £10 will be donated to Breakthrough Breast Cancer, a charity committed to fighting breast cancer through research, campaigning and education.

Other than the colour-way, the Pink is the previously announced Sleek that Samsung now appears to refer to only as the "U800".

The Samsung U800 Pink will be available in the UK exclusively with Phones4U from late July 2008 in the run up to Breast Cancer Awareness Month in October.
