## Beverly Hills 90210 nano launches

### Party like it's 1999

by Amy-Mae Elliott published on 29 July 2008

CBS are offering the "ultimate Beverly Hills, 90210 collectable" with a themed nano that's custom laser etched with officially licensed artwork from the nineties teen show.

Each is numbered and only 2000 are available in this "exclusive limited series" that is also customisable with up to 30 characters of your choice. Quick - order now! Around \$269.
