Sony to make digital camera announcement

New models incoming

by Amy-Mae Elliott published on 4 August 2008

Sony may be launching something exciting into its digital camera range ahead of its press conference at the IFA tech show, Pocket-lint has learned.

To be revealed on 14 August, a teaser invite we've received states: "Sony will soon be making an exciting digital camera announcement".

New compacts for summer? An update to the alpha line-up? Keep it here and we'll keep you informed...
