## PHOTOS: Nikon Coolpix S610 and S610c in pictures

Snapped from every angle

by Stuart Miles published on 7 August 2008

Nikon announced two new Coolpix models with the moniker of the S610 on Thursday The S610 and the S610c.

The new compact cameras will sport a 10 megapixel sensor, offer a 4x optical zoom and 3 inch LCD display at the back.

We managed to get our hands on a model before the official launch and here is a gallery of images along with a stack of official images from Nikon.
