Nokia 6650 lands in the UK

Exclusive to T-Mobile

by Stuart Miles published on 8 August 2008

The Nokia 6650, exclusive to T-Mobile has officially landed in the UK following its announcement in June.

The new clamshell handset will be exclusive to T-Mobile and according to the operator has been specifically tailored to the network so users can get the most out of the partnership.

The new handset will feature T-Mobile web2walk service, a GPS receiver, 2 megapixel camera with LED flash and the usual array of multimedia bits and bobs like an MP3 player and Mobile TV. There is even a colour-changing keypad for those keen to turn their phone into a chameleon.

The handset costs from free on Combi 30.
