## VIDEO: I Am Rich App walkthrough

The wonders of YouTube help us once again

by Stuart Miles published on 10 August 2008

Want to know what a \$1000 dollar app looks like? Well now you can thanks to YouTube.

The Apple iPhone App that was pulled last week seems to be nothing more than a red gemstone that glows.

Pressing the "i" info button reveals the words:

"I am rich  
I deserve it

I am good,  
healthy &  
successful

And yes it seems \$1000 can't even get you correct spelling.
