VIDEO OF THE DAY - Team GB

Team GB. 'Nuff said

by Ian Hughes published on 26 August 2008

International readers of this slot today will have to bear with us I'm afraid.

You see, as a nation, us Brits really weren't expecting much in Beijing, apart from the usual dashed hopes and near misses.

So, to see Team GB shine quite so brightly is something we're quite proud of and this little photo montage kind of sums that up nicely.

Well done everybody!
