PNY Technologies has announced an offer that sees customers get a choice of free EA game for their mobile when they buy a microSD card.

Once customers buy the PNY card, they can access the whole EA mobile games catalogue, then simply choose and download a game directly to their WAP-enabled phone with the access code on the PNY packaging.

PNY gaming Micro SD is available in 1GB and 2GB from PC World and Currys priced at £9.99 and £14.98, respectively.
