Asus planning "Galaxy7" smartphone

Omnia-rival to launch in October?

by Amy-Mae Elliott published on 15 September 2008

Leaks to a mobile phone blog see Asus prepping a new smartphone, that's being described as a Samsung Omnia rival.

The Windows Mobile 6.1 device is said to have a 3.5-inch WVGA touchscreen and a 5-megapixel camera.

In addition, rumoured specs see the device with expandable 4GB memory, Bluetooth, Wi-Fi and a trackball control. We'll bring you more when we hear it...
