## Kensington launches battery packs for iPhone and iPod

### Extend your iPlaytime

by Amy-Mae Elliott published on 25 September 2008

Kensington has launched the Battery Pack and Charger for iPhone and iPod and the Mini Battery Pack and Charger for iPhone and iPod.

The Kensington Battery Pack and Charger for iPhone and iPod provides go-anywhere, rechargeable power to extend talk time up to 6 hours, as well as provide 100 hours of music and 21 hours of video play. It will cost £39.99.

Kensington's Mini Battery Pack and Charger for iPhone and iPod are said to be small enough to slip in a pocket or stay attached to your iPhone.

The Mini Battery Pack and Charger for iPhone and iPod extends talk time up to three hours, in addition to 30 hours of music play time and 6 hours of video play. This will cost £34.99.
