BT Business offers free mobile broadband

Dongle deal

by Amy-Mae Elliott published on 20 October 2008

BT Business has launched the first broadband packages to offer small businesses mobile broadband for free as part of an all-inclusive option.

BT Business Total Broadband options 2 and 3 will now include a mobile broadband connection at no extra charge when they sign up for a 24-month minimum term contract.

BT Business Total Broadband customers will receive a E170 plug and play USB data stick with up to 1GB data a month as well as access to over 100,000 BT hotspots in the UK and Ireland with 2000 BT Openzone minutes included in the offer.

More info, and small print, on the BT Business website.
