Optoma Pico projector now available in UK

£249.99 price tag

by Katie Scott published on 20 November 2008

Following on from today's news from Konica Minolta that it has created the world's smallest Pico projector, another (slightly bigger) Pico projector has finally hit UK shelves.

The Optoma Pico is now available from PC World online and in-store, and is priced £249.99.

Hit the links below for the full specs of this dinky device as well as our video hands-on.
