TDK Life on Record launches Trans-IT Edge drives

Sleek storage

by Amy-Mae Elliott published on 21 November 2008

TDK Life on Record has launched its new series of Trans-IT Edge USB flash drives.

With wrap-around LED activity indicator and slider interface, TDK is calling the new devices stylish offerings.

Available from 4GB up to 16GB capacities with a sleek metallic finish, the Trans-IT Edge USB flash drives measure 61 x 21 x 9mm.

Prices for the new memory offerings are 15 euros for the 4GB model, 24 euros for the 8GB-er and you'll get 16GBs for 44 euros.
