## A-Data launches "Mickey Glove" flash drive

Handy

by Amy-Mae Elliott published on 28 November 2008

The latest from A-Data's Disney series, in an apparent attempt to cash-in on every part of Mickey Mouse's lovable persona, here is his glove, re-worked as a flash drive. The 2GB version is \$22, 4GB'll set you back \$31 and the 8GB model comes in at \$48. Ideal for the Disney fan that has everything else, we presume.
