Wireless illuminated super tiny keyboard launches

All you've ever wanted

by Amy-Mae Elliott published on 17 December 2008

We've seen tiny keyboards and we've seen illuminated keyboards, but bless Brando's no-doubt novelty cotton socks for bringing the two together. \$47.00 will get you 170 x 81 x 15mm's worth of small-scale keyboard - but be warned Christmas shoppers, as it's not available 'til after the festive fun is over.
