Last chance to win a Casio EX-FH20 digital camera

Just comment on a story to win

by Ben Crompton published on 31 December 2008

Casio is kindly offering its 40 frames per second digital camera - the EX-FH20 - to the person that comes up with the best comment on a Pocket-lint story in December.

The New Year is rapidly approaching but to be in with a chance to win, you still have today to make a decent comment on any story you see on Pocket-lint.

The rules of the competition are simple, you can enter as many times as you like by simply commenting on any story. At the end of the month we will pick the best comment and they will get the prize.

You don't have to sign up to comment on the stories, we just ask for your name, location and email address - that does not show up online and is not passed on.

We will be contacting you via email so make sure you use the right one in the form when you file a comment.

It's a great prize! The EX-FH20 sports a 9.1 -megapixel sensor, 20x optical zoom and a 3-inch LCD screen. The comp winner will be decided on the first of January, so get commenting now...
