## Win a TomTom GO 740 LIVE

All you have to do is comment on a story

by Ben Crompton published on 2 January 2009

First off we would like to congratulate Tony Orwin for his comment on the DAB switchover story, that saw him win Casio's Exilim EX-FH20 - good stuff.

Don't worry though because this month we have an equally fantastic prize to be one which will ensure that your traffic jam woes are a thing of the past.

Just comment on any news story or review you find on Pocket-lint and you can win yourself the ace TomTom GO 740 LIVE, given 9/10 in our review and worth over £300.

The rules of the competition are simple, you can enter as many times as you like by simply commenting on any story. At the end of the month we will pick the best comment and they will get the prize.

You don't have to sign up to comment on the stories, we just ask for your name, location and email address - that does not show up online and is not passed on.

We will be contacting the winner via email so make sure you use the right one in the form when you make a comment.

There are some links below including a full review of the prize so get clicking around the site and commenting for a chance to win.
