## Daily Tech Deal: Navigo 3.5-inch Sat Nav V2

Money saving deals, offers and innovations

by Ben Crompton published on 12 January 2009

It is the start of a new week and as promised we have another tech deal for you.

Today's offering is the Navigo 3.5-inch Sat Nav V2, which is £44.99 down from £54.99 from ebuyer.com. However it is only available at this price until midnight on the 12 January or whilst stock lasts.

It comes with a host of regular features including seven digit post code search, 2D and 3D mapping options as well as a 3.5-inch colour touchscreen and long life built-in rechargeable battery.

So for those of you looking for a bit of help whilst driving but on a budget this could be a practical and affordable answer to any driving angst you may have.

There is a link below that takes you to ebuyer.com and there'll be another Daily Tech Deal tomorrow.
