## VIDEO: Tech week in view 03-04-09

A look at the hottest tech topics

by Amy-Mae Elliott published on 3 April 2009

This week's "tech week in view" episode covers such hot topics as Google Street View's roll out in the UK, the PlayStation 2 price cut in the States to under \$100 and film piracy.

Hit play now to join Pocket-lint's Stuart Miles as he covers these tech-themed topics - as well as revealing his favourite April Fool stunts from around the web.
