VIDEO: Tech Week In View 24/04/09

Comment and opinion on the week's big stories

by Jason Denwood published on 24 April 2009

Stuart Miles gives you his thoughts on some of the biggest tech stories of the week in this week's Tech Week In View episode.

This week it's all about Miles getting on his high horse about the Pirate Bay verdict, EA Sports Active, Apple's results and mobile operator 3's bold move with Skype.
