WEBSITE OF THE DAY - Orange RockCorps

4 hours work for one hell of a night out

by Ian Hughes published on 4 June 2009

It's a busy week for Orange - they're currently chasing a bull round a field with a camcorder to give away Glasto tickets (see Monday's Website of the Day) and they're also launching RockCorps.

Last year saw a whole new generation of people get involved in volunteering and RockCorps was one of the main reasons.

In exchange for 4 hours volunteering work, people receive a ticket to one of two gigs featuring some of the biggest names in music. The gigs take place in Manchester and London later in the summer, N-Dubz and Lady Gaga have already signed up to play and there's more artists to be announced later today.

To get involved register here and pick a project - there'll be one near you - as Orange RockCorps gets bigger and better for 2009.
