Chances are you spend a fair bit of time sat at a PC and let's face it, unless you're on Pocket-lint, this experience can sometimes be dull. Playing a few tunes can make all the difference - queue the Labtec PC speakers.

With some very positive customer reviews, Play.com are offering the speakers for a bargain £17.99.

The speaker system includes 2 x 8-Watt satellite and 1 x 12-Watt subwoofer and also features the unique Max-X band pass and ported subwoofer design. If desk space is at a premium the flat-panel aspect should help reduce the clutter.

A 2-year manufacturers warranty and free delivery from Play.com round off the package, There's a link below if you decide to check 'em out.
