WEBSITE OF THE DAY - gdgt

If you're a geek for gadgets and gizmos, get a load of this

by Ian Hughes published on 3 July 2009

If you're anything like us, it's safe to say you spend a fair amount of time talking, thinking and dreaming about gadgets.

You're not alone.

This new site has been set up by a bunch of veteran tech bloggers and it knows its subjects. No ranting and raving, just tips, tricks and new-fashioned advice.

We approve and have signed up to keep track of the chat.
