VIDEO: Nokia teases for rugged phone with golf club clip

New mystery handset takes a beating

by Amy-Mae Elliott published on 6 July 2009

We brought you news that Nokia is prepping a rugged phone, supposedly the 3720, and here it is, complete with video footage.

Confirming the phone exists, and as a teaser for the launch, this mini clip sees the handset whacked by a golf club in a slightly wonky tee off from one of the Nokia Conversations team.

Described only as a prototype of a "tough new Nokia phone", the candybar handset looks fairly slim for a rugged effort.

Hit play now to see the phone just about survive the bashing and we'll bring you more news on the new phone when we get it.
