WEBSITE OF THE DAY - Graph Jam

Bookmarks this and you could be top of the charts

by Ian Hughes published on 7 July 2009

If you spend way too much of your working day stuck in an office staring at meaningless charts and presentations, all the while trying to look interested, this site is definitely for you.

Users generate their own graphs and charts and mighty entertaining they are too.

Slip one of these into your next presentation - see how many people even notice!
