WEBSITE OF THE DAY - Spoonfed.co.uk

Come to London and, now, get the best out of it

by Ian Hughes published on 8 July 2009

With all due respect to our international readers, there ain't nowhere like London in the summer time.

Londoners have something of a reputation as surly, grumpy, I'm-too-busy-to-stop-and-talk types, but when the sun shines, all that changes. What a city.

But, getting the best out of the place can be a nightmare - it's just so big. On top of that it can be a nightmare trying to round people up in one place at one time so that you can all go out and enjoy yourselves.

So, it's no great surprise that somebody has come up with this site.

Spoonfed shows you the best the UK's capital has to offer and gives you a suite of tools to share your plans with your mates.

Lovely jubbly.
