PHOTOS: Asus Transformers-themed G60

Bespoke laptop unveiled

by Amy-Mae Elliott published on 8 July 2009

Transformers fans can gaze in admiration at this G60 that Asus has created for the launch of the new movie featuring the robotic aliens.

Asus partnered with Paramount to offer a special one-off Asus Transformers G60 gaming notebook as a prize for people pre-registering with Odeon cinemas.

So, a bespoke design, it's not for the likes of us, unless of course you can afford to persuade Asus to make you another...
