WEBSITE OF THE DAY - Green Britain Day

The campaign to get Britain greener starts today

by Ian Hughes published on 10 July 2009

Today's the day us Brits are being asked to pull our collective finger out to do something about climate change.

Join Team Green Britain and you can not only do your bit, but travel for less on trains for the day and even be in with a chance of winning tickets to the 2012 Olympics.

Go on - go green.
