Sony offers 32GB MicroVault Click

New capacity for USB storage range due this month

by Amy-Mae Elliott published on 16 September 2009

Sony has announced it is launching a version of its MicroVault Click USB storage device with a 32GB capacity under the slogan "USB storage for the HD age".

Aimed at those who snap high-res pics or handle HD video, Sony claims a "simple, elegant design" as well as "trouble-free" plug'n'play operation.

With Hi-Speed USB 2.0 data transfer, the range is also available in 4GB, 8GB and 16GB capacities with the new 32GBer due to be available this month, no pricing revealed.
