VIDEO: New LG BL40 Chocolate ad apes 2001

Will teach you to use weapons?

by Amy-Mae Elliott published on 30 September 2009

LG's latest Black Label handset, the widescreen BL40, is now available in the UK and here's the new ad to try and convince you to take the plunge. Hit now to see the Kubrick-themed clip and then follow the link below to our freshly minted review of the new device.
