As winter is upon us, the merry folk at [www.gottatoshiba.com](http://www.gottatoshiba.com) and Pocket-lint have put their heads together and masterminded some great one-off deals on Toshiba's Home Entertainment range to fill out your stocking this Christmas.

Yule love our fantastic Pocket-lint promo code "pocketlintpromo", saving you up to a huge £540!

At Toshiba's new online retail shop, you'll find selected LCD TV's with up to a staggering 38% off, DVD Players and Recorders with up to 15% off, and top-of-the range Home Cinema Projectors at 20% off normal RRP.

This includes the recently reviewed ET20. Gifts like these will be essential to your entertainment viewing this Christmas day, with hours of amusement for all the family guaranteed.

And the winning point for us are those little extras that Toshiba have kindly taken care of such as FREE delivery on all purchases, leaving you with one less thing to worry about during the pre-Christmas dash!

Or if you're after something a little more modest in size, then the highly acclaimed 32wlt66 could be for you. Even more of a steal at just £679.99, this popular choice holds a bagful of awards to its name, including Best Buy for What Video, What Home Cinema, What HDTV and Stuff Magazine. Fantastic features include:

- ï HD Ready for a High Definition future
- ï two HDMI Sockets for High Definition sources
- ï Built in Freeview Digital Tuner with access to over 30 channels
- ï High Performance Picture Quality using Activision
- ï Connectivity to attach optional subwoofer offering rich base reproduction

Or if you fancy a bigger picture (say two and a half meters big!) why not go the whole hog with this ET20 Home Cinema Projector.

A true cinema experience without the fuss: with a built-in DVD Player and 5.1 surround sound, all

you need is a power lead and off you go. On [gottatoshiba.com](http://gottatoshiba.com) you can save a whopping £325, but if you're still not convinced then check out this product's review.

- ï All in One Solution Home Entertainment System
- ï Integral DVD player
- ï Extreme Short Throw lens projects 2.5m (100") diagonal image from just 1.3m away
- ï True 16:9 Widescreen Picture
- ï Dolby Digital 5.1 Surround Sound from built-in Speakers
- ï New HDMI Interface for state of the art connectivity
